TREASURER'S OFFICE

Contactless payment/receipt options: We have enclosed an envelope to return your payment by mail (note: we do not accept postmarks so allow plenty of time for it to arrive by the due date.) We have a secure drop box located just right of the main entrance (checks, no cash please.) If you would like a receipt, please include a self-addressed stamped envelope. You can go online at www.mariontownship.com to pay by credit card or e-check. There is a fee associated with the credit card (3%) and e-check (flat \$3 fee.) you may also print your receipt for tax purposes online.

Checks: When filling out your check, we must go by the written portion of the check so please make sure it matches the number portion of the check and is the correct amount due. Make checks payable to "Marion Township" and include your parcel number (4710-XX-XXX-XXX.)

Cash: When paying by cash, please bring as close to the exact amount as possible as we keep minimal change on hand for security reasons. We would like to keep cash handling to a minimum.

Mortgage Escrow Payment: If you have a mortgage with an escrow that pays your taxes, you will still receive a bill for informational purposes. You can visit our website for payment verification under *Property/Assessing/Tax Data*. We usually receive the summer payments approximately two weeks before the due date (end of August/beginning of September) and winter taxes are usually received by the end of December.

Any payments made after 5:00 pm will be applied the next business day. We do take partial payments to help you budget your total taxes due. Any amount not paid by the due date will go delinquent and does incur interest. If taxes are not paid in our office by February 28, 2023 at 5:00 pm, it will go delinquent and be sent to the Livingston County Treasurer. You will then need to contact the County Treasurer for payment arrangements at (517) 546-7010.

TOWNSHIP ASSESSING DEPARTMENT (STAFF: LORI JUDSON, SARA MCCLEERY, SANDI LONGSTREET)

Property Purchased in 2022:

Did you purchase your property in 2022? If so, your Taxable Value will “Uncap” for your 2023 tax bill. “Uncap” means the **Taxable Value will equal the Assessed Value**. Your Taxable Value could rise considerably. This uncapping could cause a significant increase in the property taxes from 2022 to 2023. Taxable Value is the value used to calculate the property taxes for a property. Go to www.mariontownship.com for guidelines on Transfer of Ownership (Links>Assessing.)

Principal Residence Exemption (PRE):

A PRE exempts a residence from the tax levied by a local school district for school operating purposes up to 18 mills. To qualify for a PRE, a person must be a Michigan resident who owns and occupies the property as a principal residence. The PRE is separate from the *Homestead Property Tax Credit*, which is filed annually with your Michigan Individual Income Tax Return. If you own a vacant contiguous parcel, it may also qualify for the PRE. Check your property tax bill to ensure you are receiving the exemption if you qualify! It is located on the right-hand side of the bill under: Tax Detail: PRE/MBT % (if it shows 100%, you are receiving the exemption.)

Assessment Change Notices

Assessment change notices for 2023 property taxes are mailed in February 2023. They detail changes in Assessed & Taxable Values, and dates for the March Board of Review. You can call or visit our Assessing Department to review your assessment records.
