Millage Proposal

Shall the limitation on the amount of taxes which may be levied against all taxable real and personal property in the City of Howell, and the portions of Genoa Township, Howell Township, Marion Township and Oceola Township which are contained in the Howell Public School District, Livingston County be increased by 0.5 mill (\$0.50 per \$1,000 of taxable value) for a period of five (5) years, with the tax levy beginning 12/01/2024, and with the tax levy ending 12/01/2028 for the purpose of funding the Howell Park and Recreation Authority's ability to acquire, construct, operate, maintain, and improve public recreation centers, public auditoriums, public conference center, and public parks and such other related purposes as authorized by Section 11 of the Recreation Authority Act 321 of 2000, as amended, that being MCL 123.1135 and 123.1141, which millage, if approved and levied, will raise in the first year of levy an estimated \$1,600,000.00 across all portions of the five (5) tax levy jurisdictions that make up the Howell School District.

This millage will generate estimated revenues for the Howell Park and Recreation Authority of approximately \$1,600,000.00 in the first year of levy. The funds raised from this millage will be dedicated solely to the enhancement and maintenance of public parks, recreation facilities, centers, and programs within the Howell Area Parks and Recreation Authority jurisdiction.

If approved, this millage will commence on 12/01/2024 and conclude on 12/01/2028 providing essential financial support to enhance the quality of recreational amenities and maintain operational standards for the community.

Voting "Yes" approves the levy of the millage.

Voting "No" rejects the levy of the millage.

This proposal is presented by the Howell Area Parks and Recreation Authority.
