### MARION TOWNSHIP BOARD OF TRUSTEES SPECIAL MEETING June 6, 2019 7:30 pm

MEMBERS PRESENT:

Les Andersen, Tammy Beal, Greg Durbin, Dan Lowe, Duane Stokes, and

**Bob Hanvey** 

MEMBERS ABSENT:

Scott Lloyd

OTHERS PRESENT:

Rick Elkow and 13 CrystalWood Residents

### **CALL TO ORDER**

Bob Hanvey called the meeting to order at 7:30 pm.

### APPROVAL OF AGENDA

Duane Stokes motioned to approve the agenda. Les Andersen seconded. Motion carried.

### **CRYSTALWOOD ROADS**

Supervisor Hanvey explained that in the 90's CrystalWood was supposed to be public roads. The owner wanted higher density but the residents around the area did not want that so the owner sued and the Consent Judgement was formed. The County Road Commission is now requesting that 12 items be completed before they consider making it a public road. Even if the road is made public the residents will still be responsible for snow removal.

Rick Elkow said that he will pave his share (Crystal Crossing, Crystal Wood, Wood Lane, Wood Point and Wood Court) when the last 6 homes are almost done. The home owners on Crystal Court are responsible for their portion of the road. Hopefully both areas will have the same contractor and on the same schedule. Rick Elkow's position is to keep the roads private.

Dan Lowe said that he doesn't have a preference to if the roads go public or private.

The public present would like to meet with the other residents and see what they prefer. The will try to get an answer by the end of June.

#### CRYSTAL COURT SPECIAL ASSESSMENT DISTRICT

Supervisor Hanvey explained the Special Assessment District procedure. He explained that there would be two meetings, one to create the Special Assessment and one to create the roll. Each meeting must be published two times. The Board will decide if it is to be awarded or not and how many years it will be for. The residents can pay it off or will be charged 5% interest.

Crystal Court Board members will talk to the rest of the residents on Crystal Court about the SAD.

Rick Elkow will get bids from some contractors.

ADJOURNMENT	
Les Andersen motioned to adjourn at 8:41 pm. Duane	Stokes seconded. Motion carried.

OTHERS PRESENT:

Phil Westmoreland and Tracy Anderson, Spicer

MEMBERS ABSENT:

None

### **CALL TO ORDER**

Bob Hanvey called the meeting to order at 7:31 pm.

### PLEDGE OF ALLEGIANCE

### **BOARD MEMBERS PRESENT**

The board members introduced themselves.

### **CALL TO THE PUBLIC**

Jamie & Brandon Finch, 606 E. Coon Lake Rd., were present in response to a letter they received from the zoning administrator regarding their home business. They are asking the board to clarify what they can and cannot do. Mrs. Finch said that no business is conducted in the house; it's all done off-site. Their equipment is stored in the garage with the exception of the trucks and trailers. Bob Hanvey said that the property is in ERS-1 zoning district, which doesn't allow Class II home occupations. Les Andersen asked if the subdivision has rules regarding commercial vehicles. Bob Hanvey said the HOA is aware of the business. Mrs. Finch said many of the neighbors use their lawn service. Jim Andersen, Planning Commission member, said there was no public complaint, the business was noticed by PC members. Dan Lowe said the property needs to look residential, no more than two trucks and trailers. Scott Lloyd and Duane Stokes both agreed this was a Class I home occupation. Greg Durbin said they should get rid of the tubing that's stored outside, and keep it looking residential.

### APPROVAL OF AGENDA

Greg Durbin motioned to approve the agenda. Les Andersen seconded. Motion carried.

### **CONSENT AGENDA**

Dan Lowe asked to have the joint meeting minutes changed on page 3 to say "Mr. Lowe said he doesn't care about being re-elected."

Dan Lowe motioned to approve the consent agenda as amended. Duane Stokes seconded. Roll call vote: Lowe, Lloyd, Beal, Hanvey, Durbin, Andersen, Stokes—all yes. **Motion carried 7-0**.

### MHOG STORAGE BUILDING SITE PLAN APPROVAL

Greg Tatara, MHÖG's utility director, was present to answer any questions the board members may have about the new storage building. Mr. Tatara said the planner mentioned the orange roof; the roof isn't going to be orange and it will have downward facing LED lights. Les Andersen motioned to approve the site plan for SPR #01-19, MHOG Storage Building, as presented. Duane Stokes seconded. **Motion carried**.

### HOWELL CITY SEWER PLANT IMPROVEMENTS

Phil Westmoreland and Tracy Anderson from Spicer were present to discuss their review of the wastewater treatment plant project. Bob Hanvey asked if the board members had any objection to this report being sent to the city and CIRAB board; there were none.

Bob Hanvey passed out an email from Mike Spitler regarding payment options for design engineering for the project. Les Andersen motioned to have the township pay monthly rather than up front. Scott Lloyd seconded. **Motion carried**.

### 2019-20 BUDGET AND MILLAGE RATE PUBLIC HEARING

Bob Hanvey opened the public hearing at 8:30 pm; no comments were heard, and the public hearing was closed.

Les Andersen motioned to approve the General Fund amendments for FY 7/1/18-6/30/19 with income of \$1,550,191 and expenses of \$1,630,230, as presented. Greg Durbin seconded. **Motion carried**.

Tammy Beal motioned to approve the 2019 tax rate request for .7804 as presented. Scott Lloyd seconded. **Motion carried**.

### 2019-20 BUDGET REVIEW

Bob Hanvey provided the proposed FY 7/1/19-6/30/20 budget for review and approval at the next meeting. A proposed 3% increase is included for salaries. There is \$50,000 budgeted for enforcement, which includes attorney fees, publications, etc. The board members discussed what enforcement issues will be sent to Carlisle Wortman; it was decided that the zoning administrator will determine what's sent. Scott Lloyd said he doesn't want salary increases for trustees; Greg Durbin said trustees shouldn't be excluded.

### CRYSTALWOOD ROADS SPECIAL ASSESSMENT

Bob Hanvey reported that the meeting was held last week, and the township is waiting for a response from all the residents.

#### HOMETOWN VILLAGE PHASE III

Bob Hanvey updated the board members on this item. He sent an email to Allen Edwin with six items about procedural issues; a meeting will be scheduled with the attorneys.

### **ROADS/ENGINE BRAKING SIGNS**

The board members discussed specific locations for these signs: north and southbound D-19 at Coon Lake Road; south side of Coon Lake Road toward Bentley Lake Road; east side of Cedar Lake Road south of Jewell. Les Andersen suggested that the sign verbiage be sent to the attorney for review.

### **ALCHIN TOWNSHIP PICKUP**

Tammy Beal and Bob Hanvey reported on their meeting with Alchins. They are less than enthusiastic about collecting for the entire township, but if they did, they would also want the high-density areas included. After discussion, the board members agreed to continue researching this item.

### 2019-20 MEETING SCHEDULE

Les Andersen motioned to approve the schedule as presented. Scott Lloyd seconded. Motion carried.

### **CORRESPONDENCE & UPDATES**

The Livingston HSCB quarterly newsletter is included in the packet.

The Livingston County Commissioners' monthly newsletter was received.

A copy of the Livingston County Transit Master Plan is included in the packet.

Dan Lowe said he talked with representatives from the LCRC regarding Peavy Road bridge; no new information. He also talked with Ken Recker from the LCDC regarding McGowan's property and they hope to establish a timeline of what's occurred on the property.

Bob Hanvey said he received a call from Manny Kianicki regarding Sunridge Phase 3, who asked if there would be any objection to having fewer units and septic systems rather than connecting to the sewer. Dan Lowe said there are a lot of springs out there. No objections were heard.

Tammy Beal said the disc golf course is being reconfigured and any volunteers are covered by the township's insurance.

### **CALL TO THE PUBLIC**

Forrest Wyckoff, 3145 Cedar Lake Rd., asked about the access for HVM Phase III. Bob Hanvey said they would use the existing boulevard entrance, and that they're building 73 homes instead of 94. Mr. Wyckoff also said they did a good job with the last dust control application.

### MONTHLY UPDATE TO THE BOARD

TO:

HOWELL AREA FIRE AUTHORITY BOARD OF DIRECTORS

FROM:

ANDREW PLESS, FIRE CHIEF

SUBJECT: MONTHLY HAFD REPORT FOR MAY, 2019

DATE:

JUNE 10, 2019

During the month of May, the HAFD responded to a total of 128 calls for service. There were 122 calls in May of 2018. The total year-to-date runs for 2019 was 586. Last year's total at the end of May was 586.

Some of the more significant events for the month included:

On May 13<sup>th</sup> Howell Firefighters responded to a reported structure fire in the 8000 block of Dean Rd in Deerfield Township. On arrival firefighters found a fire in the kitchen spreading to the attic. Firefighters assisted Hartland Fire with extinguishment of the fire and overhaul. The cause of the fire was determined to be from a lightning strike on the home. Damage was limited to the area of origin.

On May 22<sup>nd</sup> Howell Firefighters responded to a reported powerline down across the road on Eager Rd south of M-59. Firefighters assisted with traffic control until DTE arrived and secured the broken pole.

On May 22<sup>nd</sup> Howell Firefighters responded to a reported powerline down across the freeway on I-96 East of Pinckney Rd. Firefighters assisted with getting all vehicles cleared off the freeway and traffic control. The issue caused the highway to be closed for approximately 3 hours in both directions.

The Department has been working with the new fire reporting software company for the last 5 months to get the system up and running. The software company to this date, has not fulfilled any of the promises made in the contract. Our Attorney has sent the company a letter demanding a full refund and we are currently seeking an alternate source for reporting software.

The Livingston County Sheriff Department sponsored a week long active assailant response class in our new training room. Howell Firefighters were invited to attend and participate in the class. Nearly all law enforcement personnel in the County and all of our Dayshift personnel attended the classes.

Training for the month of May consisted of Drafting from the lake and dry hydrants and training with heavy rescue equipment including airbags, hand tools and the Jaws of Life power tools.

The next meeting of the Howell Area Fire Authority Board is scheduled for Wednesday June 19th, 2019 at 6:00 pm.

The other budgets are normal with no major changes.

Appropriations will be deemed maximum authorizations to incur expenditures. The fiscal officer shall exercise supervision and control to ensure that expenditures are within appropriations, and shall not issue any order for expenditures that exceed appropriations.

### **Section 11: Periodic Fiscal Reports**

The fiscal officer shall transmit to the board at the end of each of the first three quarters, and at the end of each month occurring during the fourth quarter, a report of financial operations, including, but not limited to a summary statement showing the year-to-date receipts and expenditures compared to budget.

### Section 12: Limit on Obligations and Payments

No obligation shall be incurred against, and no payment shall be made from any appropriation account unless there is a sufficient unencumbered balance in the appropriation and sufficient funds are or will be available to meet the obligation.

### **Section 13: Budget Monitoring**

Whenever it appears to the Chief Administrative Officer or the Township Board that the actual and probable revenues in any fund will be less than the estimated revenues upon which appropriations from such fund were based, and when it appears that expenditures shall exceed an appropriation, the Chief Administrative Officer shall present to the township board recommendations to prevent expenditures from exceeding available revenues or appropriations for the current fiscal year. Such recommendations shall include proposals for reducing appropriations, increasing revenues, or both.

Steve Bibbee 421 Bonnie Circle Howell, MI 48843

Mr. Bibbee,

As you the owner of 421 Bonnie Circle, I am writing to request that you take appropriate action to correct an issue at your property which is in violation of both Marion Township Ordinances and the Declaration of Protective Covenants and Restrictions of "Howell Heights" Estates, established September 17<sup>th</sup>, 1974 and on record with the register of deeds for Livingston County, Michigan.

As you know, your renters have multiple very noisy peacocks which are extremely loud all hours of the day and night and are in violation of Marion Township Ordinance 6.02 as well as the Howell Heights Protective Covenants and Restrictions. These animals are housed in an unauthorized tarpaulin covered structure behind the house, also a violation of Marion Township Ordinance 6.05 and the Declaration of Howell Heights Protective Covenants and Restrictions. I have spoken with Dave Hamann, the Marion township zoning administrator on at least two occasions expressing my concerns regarding this unacceptable situation.

You may also know, that because of the heating mechanism used within the bird structure, there was a fire that was started and required an emergency response from the Howell fire department. If needed, we can get the specific date of the fire from the Howell Fire Department. The risk of a future fire caused as a result of a violation of Marion Township and subdivision ordinances that results in property loss to neighbors is unacceptable. A future fire also poses risk to the well heads for the city of Howell located behind the property. A future fire raises the potential for a lawsuit to you as the homeowner, the current tenants, and Marion township, as you each allow these violations to persist.

Beyond the violations mentioned above, the fact that a resident has exotic animals in a neighborhood environment is not appropriate. I have been restrained from calling the police to address noise ordinance violations. I am requesting that the Peacocks be removed from the property. If the birds are not removed from the property in a timely manner, I will begin to call the police daily to address the noise violation with the current tenants as well as you the homeowner. I will also continue to express my concerns to the township board members.

A copy of this letter is also being filed with Marion Township as a formal complaint to the board members.

Sincerely,

Gregory C. Gerrish 399 Bonnie Circle Howell, MI 48843 Phone: 586-242-9867

MDARD procedures will be followed for the investigation and resolution of other farm-related complaints. MDARD staff will provide public information and education on the Act, the Practices, and other statutes. Marion Township Board

From:

Subject:

Potential Land Purchase

Date:

June 27, 2019

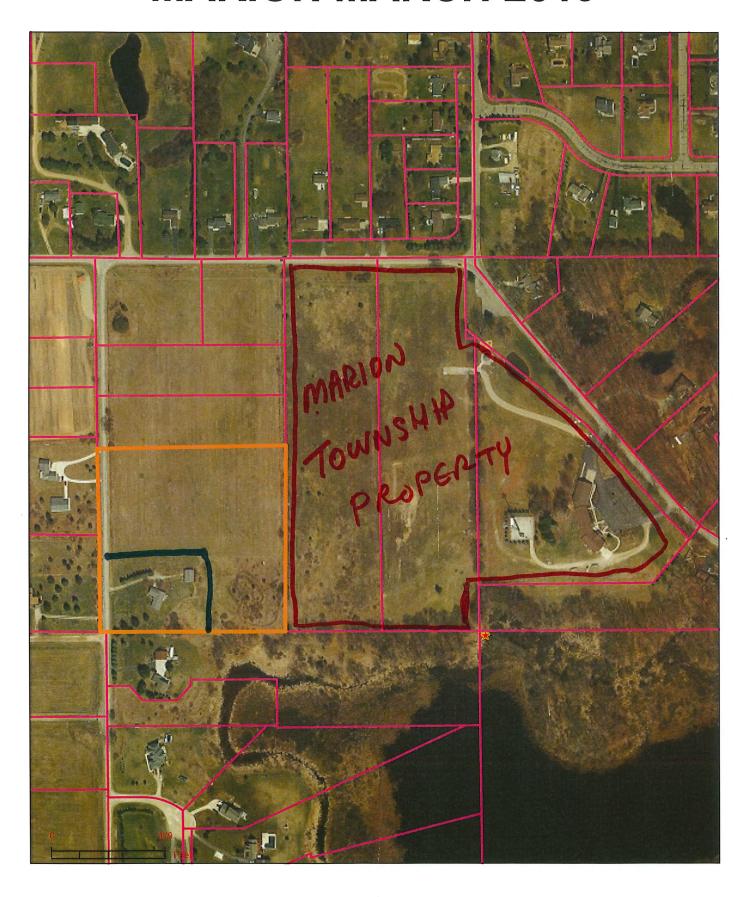

The attached map shows the township property and an adjacent ten acre parcel (outlined in orange) with frontage on Bentley Lake Road. The parcel has one single family home and an accessory structure on it. The owner is interested in dividing the property into lots for sale.

The green line defines a lot of just under three acres that allows for setbacks for the existing buildings.

There is a possibility for the township to purchase some part of the remainder parcel that would add onto the existing park area and could include access to Bentley Lake Road.

Does the Board have any interest in going forward with exploring options with the owner?
